308 Kiowa St.
Leavenworth Kansas

Dear Isreal:

Well I just received a card from your seperation center telling me you were now out of the army. I know you are glad to be out and all in one piece. On the other hand I know it has been a grand experience.

I am writing you to the address that was on the card. Do you plan to stay in Kansas? Write and let me know where you are.

The baseball leagues are meeting in Chicago Dec. 12th. I guess you will read all about it in the papers. From then on I guess we will start making plans for next year. I guess you knew Monty Irvin was discharged from the service just before the close of the season last year. He is the only one of The Eagles to be released. You are the second. I hope to be hearing from Day, Doby, Parks, Manning, and the rest before long.

Write and let me know how you are and what your plans are.

Very Truly Yours
